

SUDHINEE “BIRDIE” TRIDHIP

Berkeley, CA · +1 (510) 207-4817 · sudhinee.tri@berkeley.edu · linkedin.com/in/sudhinee-tridhip

Architecture-trained developer with two years of end-to-end development experience in Bangkok and a UC Berkeley MRED+D completed May 2026. Underwrites mixed-use and residential deals from raw land through entitlement and delivery. Seeking a Development or Acquisitions Analyst role in California; authorized to work in the U.S. for up to three years under F-1 STEM OPT.

EDUCATION

University of California, Berkeley — Berkeley, CA May 2026
Master of Real Estate Development + Design (MRED+D)

Chulalongkorn University — Bangkok, Thailand June 2023
B.S. Architectural Design (INDA), Second Class Honors, GPA 3.54/4.00
Exchange: École Nationale Supérieure d'Architecture de Versailles, France — GPA 4.00/4.00, 2022–2023

PROFESSIONAL EXPERIENCE

Arcus Housing — San Francisco, CA July – October 2026
Project Manager Intern

- Run procurement for two active San Francisco construction projects — vendor sourcing, bid comparison, and tracking material and subcontractor commitments against budget.
- Handle procurement and vendor coordination for the firm's San Francisco rental portfolio.

The Client Project Co., Ltd. — Bangkok, Thailand June 2023 – June 2025
Real Estate Developer & Project Manager

- Underwrote a 6-acre mixed-use urban revitalization project (Ratchada 19): cash-flow models projecting a 12% IRR against an 8–10% benchmark, and value-add strategies worth \$132M in incremental asset value.
- Led master planning and delivery of a 20-acre mixed-use equestrian, K9, and gymnastics complex in Minburi, coordinating architects and contractors against budget and schedule.
- Built the portfolio strategy and design-standard framework for Ally Village, scaling one community-mall concept across 8 Bangkok assets on a \$320K program budget.
- Ran market feasibility and demographic analysis for an “Affordable Wellness” mixed-use concept, expanding the firm's addressable market 3x and launching a new product line.

REAL ESTATE PROJECTS

UC Berkeley Capstone & Development Studio — 15 Marina Blvd and Seawall 321, San Francisco, CA Feb – May 2026

- Ran feasibility, zoning, and density-bonus analysis on a 2.6-acre Safeway site, using state streamlining rather than a discretionary rezoning to hold a compliant 8-story midrise.
- Underwrote development strategies on return on cost, cap rate, and yield-on-cost.

ULI Hines Student Urban Design Competition — “The Hearth,” Austin, TX January 2026

- Directed strategy and underwriting for a 3-phase, 332,805 SF mixed-use project (\$680M TDV), projecting a 26.45% levered IRR and 1.92x equity multiple.
- Sized a 369-unit program (56% affordable) plus a med-tech incubator, and built the investment thesis pitched to judges.

Hack-A-House Competition — “Stack-A-House,” mass-timber ADUs September 2025

- Co-led product strategy and feasibility for a scalable mass-timber ADU in supply-constrained markets: 10–25% cost savings, 3–6 months faster than conventional delivery.

Bangkok Land Watch — independent acquisition pipeline 2026 – Present

- Maintain a live screening tool for 18 Bangkok land parcels — price per sq.wah, parcel geometry, transit access, catchment spending power — plus an investor brief on four corridor strategies.

ACHIEVEMENTS & COMMUNITY

- Winner, Horizontal Development** — RE-CU Junior: Start-Up in Real Estate, Bangkok (2023)
- Volunteer**, Habitat for Humanity East Bay/Silicon Valley — 10 homes, Sequoia Grove (2025)

SKILLS

Development & Finance: cash-flow modeling, underwriting, highest-and-best-use analysis, market feasibility, due diligence, entitlement and zoning strategy, density bonus, procurement
